CONSTRUCTION UPDATE 2020 STREET & UTILITY PROJECT

August 21, 2020

The 2020 Street & Utility Improvement project includes improvements on Scott Court from Central Avenue to the west, and 8th Avenue SE from TH 30 to south of Brian Court. Scott Court Improvements will include replacement of sanitary sewer and water pipes within the roadway, new service pipe to homes, installation of storm sewer, curb & gutter and roadway asphalt pavement. The improvements to 8th Avenue will include reconstruction of utilities within the roadway, new services to homes, storm sewer improvements, new curb & gutter and roadway asphalt pavement.

Construction will continue on 8th Avenue SE and Scott CT during the week of 8/24/20. The contractor will continue to shape and condition the newly installed topsoil. Sod installation is currently scheduled for the week of 9/1/20. A landscape contractor will be on site during the week of 8/24/20 to complete some miscellaneous landscape repairs on 8th Avenue SE and Scott CT.

The final lift of asphalt pavement will be installed during the summer of 2021. Please be aware of the lip between the curb & gutter and the asphalt pavement and use caution when walking near the edge of the roadway.

Thank you for your patience throughout the summer!

Residents will be kept up to date for the duration of construction with any changes in schedule or conflicts via these construction updates or door-to-door communication. Please note that rain or unforeseen circumstances could impact the contractor's schedule.

We apologize for any inconvenience this may cause. Thank you for your cooperation and understanding throughout the process of improving your street and utilities! Please call **Joe Smith** with Bolton & Menk at **(507) 676-3751**, or approach him on site, if you have any questions or concerns.
